Storz With Folding Handles  
HARD SUCTION HOSE

**Weight: 56.000 lbs (0.000 kg)**

**PRODUCT SERIES OVERVIEW**

- TFT's unique suction hose is lightweight, has high visibility to see water movement, and uses a unique coupling system for simple coupling replacement and easy connection even in sandy conditions.
- TFT's suction hose is virtually leak proof under rugged fire ground conditions using an exclusive patent pending home attachment system and stainless banding material.
- TFT's suction hose is packaged and shipped for arrival in perfect condition and can be custom ordered in any length.
- TFT's suction hose is available in sizes from 2-1/2" up to 6" and comes with threaded or Storz connections and is available with folding handles for pump panels with limited space.
